

We would like to express our sincere gratitude for the overwhelming support we have received from animal lovers as we help these dogs from hoarding cases. Thank you for making a difference in the lives of shelter pets. ❤️

There are many ways to support our shelter and every contribution makes a difference:

DONATE: Donate items we use from our Amazon Wishlist: <https://rb.gy/d5kklk> OR stop by our shelter to donate! To donate money online visit www.StanislausAnimalServices.com

ADOPT or FOSTER: If you are considering opening up your home to a shelter pet, please come down to our shelter! With so many dogs to choose from, we are positive you'll find the perfect one for you! We urge our community to meet our long timers, these dogs have been sitting at our shelter the longest. To view them visit www.StanislausAnimalServices.com

LAUNDRY and DISHES: With so many dogs, we have plenty of laundry and dishes to be washed! Stop by, fill out a volunteer application, and you can get started!

ENRICHMENT and MEDIA: To get hands on with our shelter pets, please fill out a volunteer form online at www.StanislausAnimalServices.com and our Volunteer Coordinator will reach out to you with the next steps OR stop by our shelter to donate!
