

HELP SAVE LIVES BECOME A FOSTER!

FOSTER OPPORTUNITIES

Foster / Adopt

Our Foster/Adopt is for citizens looking to adopt a shelter pet that have not been altered. The dog or cat will have the opportunity to enjoy a temporary vacation from the shelter and will return to undergo surgery before the adoption is finalized!

Pre-Wean or Medical Needs

Every year, countless kittens and puppies are born without anyone to provide them with proper care. We need foster homes who are willing to care for these young pets until they reach a suitable age. Once ready, they can be returned to the shelter, undergo spay/neuter, and find loving homes!

Foster caregivers play a crucial role in providing comfort and care for pets with medical needs, ensuring a smooth and speedy recovery.

To become a Foster Home for kittens, puppies, or both please fill out a Foster Program application, located on our website.

Foster Ambassador (Long-term Commitment)

The Foster Ambassador Program is for individuals who are passionate about helping at-risk shelter dogs, or “Underdogs”, find their forever home or rescue placement. This program ensures that the dog remains out of the shelter while being actively promoted to increase their chances of adoption or rescue. Foster Ambassadors must be willing to share updated pictures/videos of their foster dog on social media platforms, attend adoption events when possible, organize meet and greets with the assistance of our Foster Team, collaborate with our social media team, and network within their community.

To start your Foster Ambassador Journey with SASA, stop by our shelter to get started! We are located at 3647 Cornucopia Way Modesto, CA.
